Introducing the **agent 800** Dual ear, high use, noise-cancelling headset

The agent 800 is a robust dual ear noise-cancelling headset, designed for use in noisy offices and call centres. It is stylish, functional and ideal for those who need to give their full attention to calls. The microphone rotation feature allows you to wear it on either side, and the flexible microphone boom ensures perfect mic positioning for crystal clear voice calls.
